April 21, 1994

TO: Board of Directors
FROM: William P. Daigle
SUBJECT: Interlaboratory Results - Test #12

Enclosed is a summary of data for interlaboratory test #12 as reported by the participating laboratories for "tar", "nicotine", "carbon monoxide", "tar", "tar and water". Figures 1 thru 3 depict the least square regression lines of each laboratory's mean against the mean of all laboratories for the seven samples and corresponding intercepts and slopes. As indicated, the listed order of the y-axis at each extreme.

Sincerely,

William P. Daigle
Assistant Director
