Dear Alan:

We have received approval on the 3/94 Triple Brand mailing and need to proceed with the list pull in order to meet a 3/7/94 tape delivery date.

The mail universe is the same one we mailed for the 1/94 Triple Brand mailing. The final mail counts are as follows:

• Misty	724,514
• Montclair	2,285,093
• Carlton	<u>983,961</u>
Total	<u>3,993,568</u>

We will need to assign new mail and promotion codes. We are going to assign promotion codes for this mailing since there is room in the coupon layout for them. The coupon stream by brand is as follows:

<u>Carlton</u>	<u>Montclair and Misty</u> (Separate mailings)
B1G1F	\$1.00 off/pack or carton
\$3.00 off/carton	\$3.00 off/carton

*Please provide us with the standard audit reports and include Misty and Carlton in-switcher model scores for the Misty and Carlton mail universe. The seed list remains the same as the one used for the previous mailing.
