Dear Dr. Fridham:

In compliance with "patent application law", we wish to deposit the following named cultures in the ARS culture collection:

Pseudomonas putida #1
Pseudomonas putida #2
Cellulomonas sp.

All cultures are being sent to you this week under separate cover by registered mail. They are on nicotine agar and should be maintained on this medium. The formula for nicotine agar is enclosed.

We request that "distribution of this culture not be made prior to issuance of the associated patent to Brown & Williamson Tobacco Corporation".

Sincerely,

L. E. Gravely
