Dear Mr. Wade:

This will confirm my telephoned assignment of the above matter to your office. As we discussed, Mr. Auld informed us that he is being

represented by counsel; but identity of counsel is not yet known.
Please contact claimant as soon as possible and let my office know the damages claimant is willing. Your settlement authority limit for product liability claims is \$500,000.

I've enclosed a plastic container to be used if you are able to obtain cigarettes from the claimant. Please mail them to our Richmond office at the following address:
